

Clubs – Spring Term – 1st Half 2023/24

Please find below our extra-curricular clubs offer for the next half term. All clubs start W/C 8th January 2023 (unless stated otherwise) and end at half-term. For logistical reasons, places at these clubs are limited. Therefore, places are allocated on a first come, first served basis for all of the after school clubs.

Please note that if the club requires booking and does not appear on ParentPay, this means that all places have been allocated.

If signing your child up to a club, please ensure that they attend every session, as in some cases, school are paying an external provider for your child's place.

If a club needs to be cancelled, we will inform you as soon as possible. Decisions on the weather for outside clubs will be made by 2pm and communicated shortly after.

Day	Club	Run by	Booking	Any other info
